Market Here Dld'Not Fluctuate Yesterday.

Quality Was Much Poorer Than Previous Day.

The market was steady yesterday, but prices averaged slightly lower on account of the poor quality of the re-The market opened strong, but nearly the close the strength disappeared and the close was at prices steady with the previous day. The market was well cleaned up before the close and holdovers were light.

The top price of the day was \$4.70, while the bulk went at \$4.50g4.70. Both the bulk and the top price showed a dethe buik and the top price showed a deciline of 2½ cents over the previous day, but this was due to the poorer quality of the hogs. The general market was one of the best of the year and compared well in prices with any western market. The quality of the receipts yesterday was generally common. There were few really good hogs in. The bulk were of much poorer quality than the previous day, and there was not a load of what could be called toppy hogs on sale. The run was somewhat on the order of those received some weeks ago, when for days in succession there was not a choice load sold on the market.

The receipts yesterday were light. There were but few wagon hogs on the market. The car-lots arrived early in the day, and the market closed somewhat earlier than usual. Saturday is usually a light day on all markets and yesterday was no different than the general run of Saturdays. The total number of hogs which passed over the scales was \$63.

The market compared well with other western markets. Chicago was the only one which developed any strength. Its market was quoted as a shade higher. In Kansas City hogs sold the same as here, "steady," while in St. Louis the market was quoted as a shade lower.

CHRISTIAN SCIENCE HEALING ONE MILLION CURED CASES You Can Be Cured Whether You Believe

in Christian Science or Not.

Over a million cures of disease

every form are now to the credit of Chris-dan Science Healing. Most of these were cases that the doctors had given up as, "incurable." Many more were chronic maindles that had baffled their skill for maindles that had balled their skill for years. All were cured quickly; some were cured instantly. The evidence on these facts is simply indisputable and the curing still goes on. There can be no mistake or misstatement about it. The healers and their work are in the public view. As a C. S. healer my many marvelous cures have startled the world, During the past 13 years I have healed diseases of almost every known kind and

diseases of almost every known kind and in every stage of severity. They included many surgical cases where operations were otherwise threatened. I cured cases that were far away from me, as well as those near at hand. And I tell you in like manner that wherever you may dwell, and whatever be your bodily all-ment, or whether one or many physicians have failed to give you relief, if you report the court to me and so death your port the case to me and so desire, you shall be cured. This is no vain or idle promise. My past success fully justifies it. You can be cured whether you believe in Christian Science or not. You can be cured whether in this city or thousands of miles away from me. In our Christian Science Healing distance is of no account; disbelled is not any hin-drance; disappointments of the past only make stronger grounds for hope. At really need is the wish to be healed. I have just published a little book in regard to this blessed truth called "A Message of Health and Healing." If you write to me I will gladly send you a COPY FREE. It gives many interesting facts and convincing testimonials. Inclose 2-cent stamp for postage. S. A. Jefferson, C. S. B., room 1911, Masonic Temple. Chicago, Ill.

DR. KILMER & Co., BINGHAMTON, N. Y.: GREATER NEW YORK, Nov. 11, 1899.

GENTLEMEN-In justice to you I feel it is my duty to send you an acknowledgement of the receipt of the sample bottle of Swamp-Root you so kindly sent me. I had been out of health for the past five years with kidney and bladder trouble. Had our best physicians prescribe for me. They would relieve me for the time be- during the day, and obliges you to get up ing, but the old complaint would in a short time return again. I sent for a sample bottle of Swamp-Root, and I many times during the night. found it did me a world of good. Since then I have taken eight small bottles, bought at my drug store, and I putty or dark circles under the eyes, consider myself perfectly cured. It seemed as though my back would break in two after stooping. I do not have to get up during the night to urinate as I formerly did, three or four times a night, but now sleep the sleep of peace. My back is all right again, and in every way I am a new man. Two of my brother officers are still back ache, causes indigestion, stomach using Swamp-Root. They, like myself, cannot say too much in praise of it. It is a boon to mankind. We and liver trouble, you get a sallow, yelrecommend it to all humanity who are suffering from kidney and bladder diseases.

My brother officers (whose signatures accompany this letter), as well as myself, thank you for the blessing you have brought to the human race in the compounding of Swamp-Root. We remain, yours very truly,

To Whom It May Concern: I had been a sufferer for over four years from severe attacks of rheumatism and kidney trouble, probably contracted by exposure on hunting expeditions and wading trout streams. I tried many remedies, the patent and kind, but none of them seemed to do me any good. I was persuaded by an old and valued friend to try Swamp-Root, and frankly confess that it has benefited me as no medicine has. I now feel like myself again. I do not have the constant aches and pains which at one time seemed to make life unbearable. It is a positive benefit in ailments of this kind. I always keep it in the house, as it is just as

secessary as bread and butter. Very respectifully, Theodous lauthy of Dictated, J.
